

**Off Task**  
**Professional Development Protocol**  
**April 8, 2016**

1. Choose a facilitator, recorder, and timer
2. Facilitator will randomly distribute scenarios to each member of the group (including themselves), each member will read their scenario and write a response to be shared with the group (Timer will allow for 5 – 7 minutes)
3. Each member will then share their scenario and response with the group, group members will share their thoughts and feedback
4. Recorder will type group responses to each scenario in the provided table template (to be found on Kawameeh's website) and email them to Mr. Shaw once completed
5. Read and review the excerpt from *Working with Difficult Students* article
  - a. have any of your responses changed? How would you work these suggestions into dealing with these scenarios?

\* The group responses will serve as a discussion piece for future grade-level PLC meetings
